Teen Depression

Know the signs...

Depression is an illness that affects our moods, thoughts and behaviors.

Five or more of these symptoms must be present most of every day for at least two weeks or more:

- Sad, depressed or irritable mood
- Loss of interest or pleasure in favorite activities
- Significant weight loss or gain, or change in eating habits
- Change in sleep patterns
- Restlessness or agitation
- Fatigue or loss of energy
- Feelings of worthlessness or guilt
- Trouble concentrating or making decisions
- Repeated thoughts of death or suicide

Depression is common, can be serious and is treatable

If you think you may have depression, **you are not alone**. Understand that it can get better but you need to take action. Tell a caring adult who can help you to get an evaluation from a doctor or mental health professional.

IN CRISIS AND ALONE?

GOOD MENTAL HEALTH

It's for everyone!

Good mental health is about creating a lifestyle of balance and reducing the impact of stress. We can all practice ways to stay mentally healthy

HERE ARE A FEW HELPFUL TIPS:

Eight to ten hours of sleep per night

Three nutritious meals per day

Three or more days of exercise a week

Avoid drugs or alcohol

Take care of your physical health

Engage in activities that bring happiness

Spend time with your favorite people

Relaxation exercise, i.e. bubble bath, deep breathing, meditation, a nature walk

Maintain reasonable expectations and boundaries

Ask for help and support when needed

Promote Good Mental Health
Start an Empowerment Club, visit
